## SIZES OF GEMS AND MEDALS in this Catalogue given in Millimetres

### Read Before Bidding!

Terms. Strictly Cash.

My charge for executing bids will be 5%.

Be sure you bid on the lot you wish to buy. Errors in bidding will not be corrected by the cataloguer.

#### **Bid by the Piece.**

**Exhibitions:** The Antiques, Gems and Curios will be exhibited on Friday, Nov. 22nd, and on Saturday, Nov. 23rd, up to 1 P. M.

Mark your catalogues when examining the lots, as the goods will not be shown during the sale, there being too many lots to allow time for this.

We sell at least 250 lots per hour, so time your attendance accordingly. People frequently come late to find lots that they wanted have been sold.

Most of the local sales of Gems, Antiques and Jewelry are pure fakes, and the cataloguers print on every page that they guarantee nothing, in spite of their long and beguiling descriptions. We guarantee lots genuine, and our sales bona-fide.

As the holidays are almost here, you are hereby given a fine opportunity to get some choice material for gifts at from one-fifth to a fraction of what the Jewelers charge you.

**Mountings:** Mr. Elder mounts stones very reasonably and promptly. Specimen prices:—1 and 2 Karat stones, Scarf-pins 14 Karat gold, \$2. up; Rings, Tiffany style, \$3 and upward.

If any information is wanted as to the value of any of the lots or about bidding, write for advice.

Priced catalogue of this sale \$1.25.

THOMAS L. ELDER.

New York, November 1, 1912.
